Presents
A Photography Seminar by
Moose Peterson

March 10, 2012

Saturday

9 AM to 4 PM

Wisconsin Area Camera Club Organization
Presents
A Photography Seminar by
Moose Peterson

March 10, 2012 - Saturday - 9 AM to 4 PM
Midway Hotel Brookfield - Symposium Room
1005 S. Moorland Road, Brookfield

Moose's true passion has always been and remains photographing the life history of our endangered wildlife and wild places. Since 1981 he and his wife Sharon have dedicated their lives to this pursuit. Educating the public about our wild heritage is their hallmark. In recent years Moose has added aviation photography to his pursuits with the same goal of preserving our flying history, pictorial and oral for future generations. Along the way Moose has been honored for his photographic passion: a Nikon Legend Behind the Lens, Lexar Elite Photographer, recipient of the John Muir Conservation Award, Research Associate with the Endangered Species Recovery Program, just to name a few. He shares his knowledge through his writing, being published in over 131 magazines worldwide, author of 24 books including his latest, *Captured* and lecturing across the country to thousands upon thousands of photographers. One of the original Nikon shooters to receive the D1 in 1999, Moose embraced this new technology, becoming the only wildlife photographer in the world to shoot strictly digital in the early years. While a beta site for all the major hardware and software manufacturers, Moose continues being a creative innovator of new techniques both behind the camera and the computer, which is the driving force behind his photography and goals.

Price for the Saturday Seminar (limit of 80 persons) is:
\$75.00 if you belong to a WACCO Camera Club*
and by February 11, 2012

\$95.00 after 2/11/12 till 3/10/12
